Department of Information Technology

Mr. Anil A. Bagane

Hon. Executive Director's Message

These are exciting times to say the least! We face immense challenges that have impacted the financial services industry and the effects of these challenges will be felt for many years to come. The current economic woes are being felt in every Institute-no one seems immune.

That being said, I believe that if we are nimble and creative we can find opportunity in the face of changes in adversity.

Mr. B. S. Tashildar

Principal's Message

Its great pleasure that Information Technology department is Publishing its Sixth news letter. Newsletter incorporates the detailed information about department academics, co-curricular and extra co-activities under the guidance of HOD.

Our newsletter allows us to connect with the Central citizens and nonprofits in a timely and dynamic manner. There is finally significant attention being paid to developing the necessary workforce to stay competitive. Finally I admire an aspiration shown by editorial board of Information Technology Department

Ms.A.A.Nirvane

Information Technology HOD's Message

This internal newsletter aims to put in front of you the achievements of the staff and students and various activities conducted during the semester. The department has a strong faculty with great knowledge.

Our faculty are diligently involved in training students and preparing them for the future ahead. In addition to the course projects, a typical undergraduate student does mini/micro projects during his/her stay.

INFORMATION TECHNOLOGY

Visits

Industrial Visit is a part of a college curriculum, seen more often in an engineering course, during which students visit companies and get insight regarding the internal working environment of a company and how a company functions, as well as useful information related to the practical aspects of the educational course which cannot be visualized in lectures.
